The FCVFC Litigation Strategy, Legal Research & Support Team

The FCVFC Presents “Swat Team Litigation Support, In The Best Interest Of Children”
Our Team Moves In As Others Move Out

The FCVFC Litigation Support Division provides a broad spectrum of services. We promote scholarly writing to enhance well conceived complaints, causes of action, for focused litigation. We pursue areas of Rights and Due Process Violations in which Protective Parents experience the most frequent abrogation of rights leading to custody loss of children.

Our staff move into places from which others flee. We are the Swat Team Litigation Support Team of the FCVFC!
